Subject: Harvey Response: Contact Information Request

Good Morning Bridget,

I hope all as well. The following request was made to us by our Texas EJ network regarding the Hurricane Harvey Response Efforts:

“Inform on how to best reach TCEQ for timely feedback, including TCEQ efforts in re-establishing air monitoring to cover more areas where air emissions/safety are serious concerns.”

Can you assist us in identifying the correct contact information regarding this request? If you have any questions, please feel free to contact me.

Regards,
